WHY \$70 PER RIDER, PER CLASS?

Entry fees are \$80 / \$65 / \$45 for the first / second / third class. Most riders enter 2-3 classes: 2 classes average \$72.50 each; 3 average \$63.33. The \$70 basis estimates the mix, rather than using the \$80 first-class fee for every entry. It is a rounded estimate, not the exact average fees collected. Payouts round UP to the next \$5; exact multiples stay unchanged. Total: \$3,120, adding \$110 to the purse. Paid places: Huckabucka rules. Base splits: RMRA 2026 Rulebook, section 14(b), p. 12. Purse shared over 3 motos.
